Residents of a long-term care facility may access their prescription drugs covered under BCBSAZ Health Choice Pathway through the facility's long-term care pharmacy or another network long-term care pharmacy.

Usually, a long-term care facility (such as a nursing home) has its own pharmacy. If you are in an LTC facility, we must ensure that you are able to routinely receive your Part D benefits through our network of LTC pharmacies, which is typically the pharmacy that the LTC facility uses. If you have any difficulty accessing your Part D benefits in an LTC facility, please contact us at 1-800-656-8991 and TTY 711, 8 a.m. - 8 p.m., 7 days a week.

Residents of a long-term care facility may access their prescription drugs covered under BCBSAZ Health Choice Pathway through the facility's long-term care pharmacy or another network long-term care pharmacy.

Usually, a long-term care facility (such as a nursing home) has its own pharmacy. If you are in an LTC facility, we must ensure that you are able to routinely receive your Part D benefits through our network of LTC pharmacies, which is typically the pharmacy that the LTC facility uses. If you have any difficulty accessing your Part D benefits in an LTC facility, please contact us at 1-800-656-8991 and TTY 711, 8 a.m. - 8 p.m., 7 days a week.

Residents of a long-term care facility may access their prescription drugs covered under BCBSAZ Health Choice Pathway through the facility's long-term care pharmacy or another network long-term care pharmacy.

Usually, a long-term care facility (such as a nursing home) has its own pharmacy. If you are in an LTC facility, we must ensure that you are able to routinely receive your Part D benefits through our network of LTC pharmacies, which is typically the pharmacy that the LTC facility uses. If you have any difficulty accessing your Part D benefits in an LTC facility, please contact us at 1-800-656-8991 and TTY 711, 8 a.m. - 8 p.m., 7 days a week.

Residents of a long-term care facility may access their prescription drugs covered under BCBSAZ Health Choice Pathway through the facility's long-term care pharmacy or another network long-term care pharmacy.

Usually, a long-term care facility (such as a nursing home) has its own pharmacy. If you are in an LTC facility, we must ensure that you are able to routinely receive your Part D benefits through our network of LTC pharmacies, which is typically the pharmacy that the LTC facility uses. If you have any difficulty accessing your Part D benefits in an LTC facility, please contact us at 1-800-656-8991 and TTY 711, 8 a.m. - 8 p.m., 7 days a week.

Residents of a long-term care facility may access their prescription drugs covered under BCBSAZ Health Choice Pathway through the facility's long-term care pharmacy or another network long-term care pharmacy.

Usually, a long-term care facility (such as a nursing home) has its own pharmacy. If you are in an LTC facility, we must ensure that you are able to routinely receive your Part D benefits through our network of LTC pharmacies, which is typically the pharmacy that the LTC facility uses. If you have any difficulty accessing your Part D benefits in an LTC facility, please contact us at 1-800-656-8991 and TTY 711, 8 a.m. - 8 p.m., 7 days a week.

Residents of a long-term care facility may access their prescription drugs covered under BCBSAZ Health Choice Pathway through the facility's long-term care pharmacy or another network long-term care pharmacy.

Usually, a long-term care facility (such as a nursing home) has its own pharmacy. If you are in an LTC facility, we must ensure that you are able to routinely receive your Part D benefits through our network of LTC pharmacies, which is typically the pharmacy that the LTC facility uses. If you have any difficulty accessing your Part D benefits in an LTC facility, please contact us at 1-800-656-8991 and TTY 711, 8 a.m. - 8 p.m., 7 days a week.

Residents of a long-term care facility may access their prescription drugs covered under BCBSAZ Health Choice Pathway through the facility's long-term care pharmacy or another network long-term care pharmacy.

Usually, a long-term care facility (such as a nursing home) has its own pharmacy. If you are in an LTC facility, we must ensure that you are able to routinely receive your Part D benefits through our network of LTC pharmacies, which is typically the pharmacy that the LTC facility uses. If you have any difficulty accessing your Part D benefits in an LTC facility, please contact us at 1-800-656-8991 and TTY 711, 8 a.m. - 8 p.m., 7 days a week.
