What is covered within your OTC allowance?

Eligible products include OTC health-related products to alleviate or treat illness and maintain health. Items may include a blood pressure cuff, non-skid mat, bath safety bar, bath bench, pulse oximeter, kitchen scale, vitamins, and much more. These products do not require a prescription from a healthcare provider.

Availability: Items, amounts, sizing, and pricing are subject to change, depending on availability.
Please visit **azbluebenefits.com** for the most up-to-date information.

‡ Dual Purpose products are products that may serve more than one purpose. These products are sometimes used to alleviate or treat a medical condition, or they may be used to promote general health and well-being. These products do not require a prescription from your provider to purchase. However, we strongly recommend that you discuss these products with your medical provider prior to ordering or using. For your convenience, we have identified the dual purpose categories throughout the catalog.

Dual Purpose items in this catalog are marked with an (‡).

*** Part B/D –** Under certain circumstances some items may be covered under either Part B or Part D. When you are eligible to receive these items under Part B or Part D you may not purchase these items using your OTC benefit. *For your convenience, Part B/D items in this catalog are marked with an (*).*

Important Information

Please keep this catalog for your entire 2027 benefit year.

- Your OTC allowance is refreshed at the beginning of each calendar quarter. Please see your Summary of Benefits to confirm your quarterly benefit amount.
- If your order total exceeds your OTC benefit amount, the remaining balance can be paid with reward dollars or a personal credit or debit card. In retail locations, reward dollars will automatically be applied to any remaining balance. If you do not want to use your rewards towards a purchase, you will need to ask the cashier to run the card for a specific amount.
- Cash, checks, and money orders are not accepted when ordering from this catalog. Your order total will be applied to the calendar quarter in which the order is received.
- Any quarterly allowance not used is forfeited at the end of each quarter. Be sure to use your full allowance each quarter as you cannot use or combine future allowance amounts when placing your order.
- The self-service portal at **azbluebenefits.com** is available 24/7, unless down for maintenance. Customer Service is available to answer questions and to take orders by phone Monday – Friday from 8 a.m. to 8 p.m.
- For the most up-to-date listing of products, product images, sizes, flavors, and quantities available, go to **azbluebenefits.com.** Items in the catalog may change during the year. Item images may not always match the items you receive.
- Gummy and soft gel products can melt in warm weather. **Since we can't replace melted items, we recommend stocking up during the cooler months to keep your favorites in perfect shape!** For any other damaged product, the item will be exchanged for an identical product at no cost to you. Please note, only damaged items can be exchanged within 30 days of purchase; no returns are allowed.
