Section 1 — Introduction

This directory provides a list of the Blue Best Life Classic and Select network providers.

You will have to choose one of our network providers listed in this directory to be your **P**rimary **C**are **P**rovider (PCP). Generally, you must get your health care services from your PCP. You have a network PCP who is the main provider for overseeing your care. To get detailed information about your health care coverage, please see your 2027 Evidence of Coverage (EOC).

The network providers listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory, however, some services may require a referral. The plan doesn't require you to get a referral from a PCP to see a specialist or certain providers. Keep in mind, some providers may require a recommendation or treatment plans from your doctor to see you. Other providers are available in our network. For more information about this see your plan's 2027 EOC, which describes what a Specialist is and provides a list of exceptions.

Please note that some providers may have been added to or removed from our network after this directory was printed. We do not guarantee that each provider is accepting new patients. For the most up-to-date listing of providers, visit **azblue.com/MAPDDocs**.

Non-network providers are those who are not part of Blue Best Life Classic and Select network. If you get a bill from a non-network provider for the full cost of medical care you have received, send this bill to us instead of paying for it. We will look at the bill and decide whether the services should be covered. If we decide they should be covered, we will pay the provider directly, otherwise, you may be responsible for the full cost of services.

If you have a medical emergency: Get help as quickly as possible. Call 911 for help or go to the nearest emergency room or hospital. Call for an ambulance if you need it. You **do not** need to get approval or a referral first from your PCP. You must use network providers except in emergency or urgent care situations or for out-of- area renal dialysis or other services. If you obtain routine care from out-of-network providers, neither Medicare nor AZ Blue will be responsible for the costs.

What is the service area for Blue Best Life Classic and Select Medicare Advantage plans?

The county in our service area is listed below.

- Pima County

How do you find Blue Best Life Classic and Select providers that serve your area?

In this directory, our network providers are organized by County, Provider Type, and alphabetically by Specialty Type, City and Provider Name. For example, to find a Primary Care Provider in a specific city, turn to the county section, then locate the “Primary Care Providers (by Specialty)” sub-section of the directory, find the PCP specialty type you want (i.e., Family Practice, Internal Medicine) and look for the city name. To find a specialist, turn to the “Specialists (by Specialty)” sub-section within the County of your choice, and look for the specialty type you need (i.e., Dermatology, Neurology). Hospitals and other facilities are listed by facility type.

If you have questions about Blue Best Life Classic or Select plan providers, or require assistance in selecting a PCP, please call our **Member Services** Department at **480-937-0409** (in Arizona) or toll-free at **1-800-446-8331**. We are available from 8 a.m. to 8 p.m., Monday through Friday from April 1 to September 30; and seven days a week from October 1 to March 31. TTY users should call **711**. You can also visit **azblue.com/MAPDDocs**.

PHARMACY DIRECTORY

Blue Best Life Classic and Select (HMO) Plans

Pharmacy Directory

This pharmacy directory was updated on 10/23/2026.

For more recent information or other questions, please contact AZ Blue **Member Services** at **480-937-0409** (in Arizona) or toll-free at **1-800-446-8331** or, for TTY users, **711**, 8 a.m. to 8 p.m., Monday through Friday from April 1 to September 30; and seven days a week from October 1 to March 31, or visit **azblue.com/medicare** for updated information.

Changes to our pharmacy network may occur during the benefit year. An updated *Pharmacy Directory* is located on our website at **azblue.com/MAPDDocs**. Introduction

This booklet provides a list of the Blue Best Life Classic and Select Plan network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and the Blue Best Life Classic, and Select Plan Formularies.

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to plan enrollees. In most cases, your prescriptions are covered under the Blue Best Life Classic and Select Plans only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added to or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of 10/23/2026. For the most current list, please contact us. Our contact information appears on the back cover page.

You can get prescription drugs shipped to your home through our network mail order delivery program which is called OptumRx®, Inc. For more information, please contact us or see the mail order section of this pharmacy directory.

Our list of network pharmacies is organized by type of pharmacy: Retail, Mail Order, Home Infusion, Long-Term Care, and Indian Health Service. Certain letters appear after the pharmacy listing. Those letters are defined at the bottom of each page.

If you have questions about any of the above, please see the last cover page of this directory for information on how to contact us.
