

PimaConnect

EPO and PPO Network

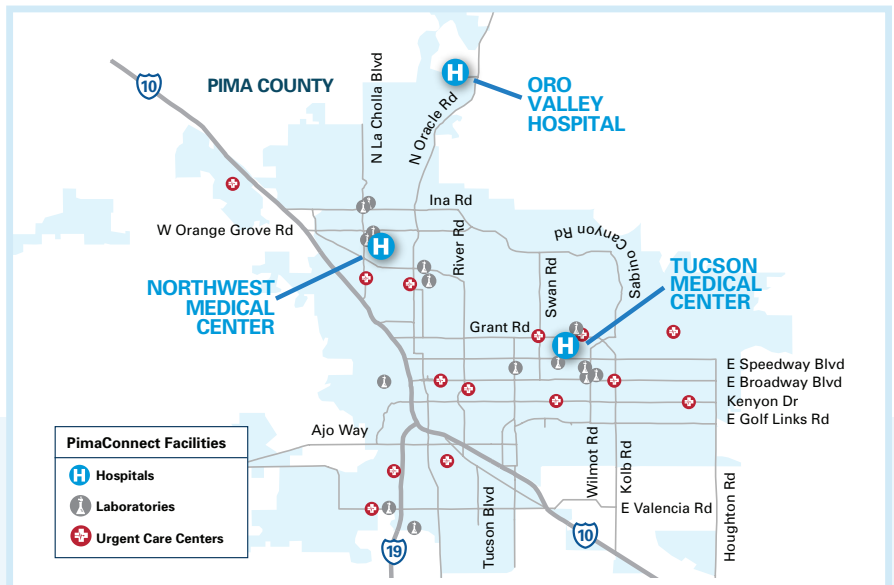

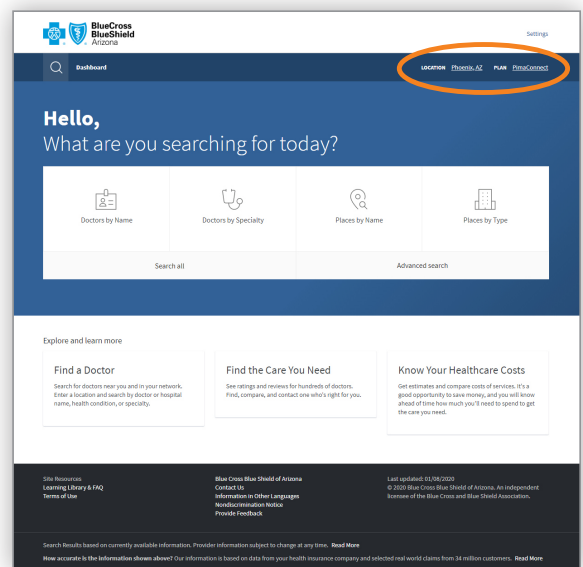

The PimaConnect network from Blue Cross® Blue Shield® of Arizona (AZ Blue) delivers on our commitment to improve care quality and create a better healthcare experience—while lowering costs.

A network of doctors and hospitals that's close and convenient

- The PimaConnect network is for residents of Pima County.
- The network features doctors and hospitals from Tucson Medical Center and Northwest Healthcare.
- To keep your healthcare costs lower, it is important to use a participating lab or imaging service such as Sonora Quest Laboratories, LabCorp, ACP Imaging, and Radiology Ltd.
- Only providers contracted with the PimaConnect network are considered “in-network.” Please check with your doctors, facilities, and other health professionals to make sure they are in the PimaConnect network before receiving care.
- Finding in-network care is easy with the **Find a Doctor** tool, available at azblue.com/findadoctor. Be sure to search for providers in the PimaConnect network, indicated in the top right of the search page.

Urgent Care/Retail Health Clinics

Did you know that urgent-care centers and retail health clinics can treat many injuries and illnesses, and often cost less than an emergency room? However, visits to retail health clinics, urgent-care centers, and emergency rooms are not a substitute for an ongoing relationship with a primary care physician. ***In a true emergency, always dial 911 first.***

Contracted facilities include:

- Concentra Urgent Care
- Northwest Medical Center Urgent Care
- Urgent Specialists, LLC
- FastMed Urgent Care
- Northwest Urgent Care
- HealthCare Clinic (Walgreens)
- NextCare Urgent Care
- TMC Urgent Care
- Minute Clinic
