Introduction: This booklet provides a list of Health Choice Pathway (HMO D-SNP) network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Health Choice Pathway's Formulary.

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to plan enrollees. In most cases, your prescriptions are covered under Health Choice Pathway only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of October 1, 2026. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can get prescription drugs shipped to your home through our network mail order delivery program. For more information, please contact us or see the mail order section of this pharmacy directory.

This directory is for the State of Arizona including the area in which you live. However, we cover a larger service area, and there are more pharmacies where your prescriptions may be covered by our Plan. For information on more pharmacies in our plan network not listed in this directory, please call Member Services at **1-800-656-8991** (TTY users should call **711**).

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.

Overland Park, KS 66211

You can get prescription drugs shipped to your home through our network mail order delivery program.

If you have used mail order services with your current plan before, or if you opt in now, our pharmacy will automatically fill and ship new prescriptions received directly from your doctors or other prescribers. You may opt out of automatic deliveries of new prescriptions at any time by contacting OptumRx at **1-800-356-3477**. If you never had mail order delivery and/or decide to stop automatic fills of new prescriptions, we will contact you each time we get a new prescription from a provider, to see if you want the medication filled and shipped at that time. This will give you an opportunity to make sure that the correct drug (including strength, amount, and form) will be delivered, and, if necessary, allow you to cancel or delay the order before you are billed and it is shipped.

For refills of your mail order prescriptions, you have the option to sign up for an automatic refill program. Under this program, we will start to process your next refill automatically when our records show that you should be close to running out of your drug. We will contact you prior to shipping each refill to make sure you are in need of more medication. You can cancel scheduled refills if you have enough of your medication or if your medication has changed. If you choose not to use the auto refill program, please contact us 15 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time. To opt out of the automatic refill program, please contact us by calling Member Services number on your ID card or call OptumRx at **1-800-356-3477**.

Typically, you should expect to receive your prescription drugs within 10 days from the time that the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact us at **1-800-656-8991 TTY 711**, 8 a.m. – 8 p.m., 7 days a week.

Introducción: Este folleto proporciona una lista de las farmacias de la red de Health Choice Pathway (D-SNP). Para obtener una descripción completa de su cobertura de medicamentos recetados, incluyendo cómo surtir sus recetas, revise la Evidencia de Cobertura y el formulario de Health Choice Pathway.

Llamamos a las farmacias de esta lista nuestras “farmacias de la red” porque hemos hecho arreglos con ellas para proporcionar medicamentos recetados a los inscritos del plan. En la mayoría de los casos, sus recetas están cubiertas por Health Choice Pathway solo si se surten en una farmacia de la red o a través de nuestro servicio de farmacia de pedidos por correo. Una vez que vaya a una farmacia, no es necesario que continúe yendo a la misma farmacia para surtir su receta; puede cambiar a cualquier otra de las farmacias de nuestra red. Surtiremos las recetas en farmacias fuera de la red bajo ciertas circunstancias según se describe en su Evidencia de Cobertura.

Es posible que no todas las farmacias de la red figuren en este directorio. Las farmacias pueden haber sido agregadas o eliminadas de la lista después de que se imprimió este directorio. Esto significa que es posible que las farmacias aquí indicadas ya no pertenezcan a nuestra red o que haya farmacias más nuevas en nuestra red que no estén indicadas. Esta lista entrará en vigencia a partir del 1 de octubre de 2026. Para obtener la lista más actualizada, comuníquese con nosotros. Nuestra información de contacto aparece en la portada y contraportada.

Puede obtener medicamentos recetados enviados a su casa a través de nuestro programa de entrega de pedidos por correo de la red. Para obtener más información, comuníquese con nosotros o consulte la sección de pedidos por correo de este directorio de farmacias.

Este directorio es para el estado de Arizona que incluye el área en la que usted vive. Sin embargo, cubrimos un área de servicio más grande y hay más farmacias donde sus recetas pueden estar cubiertas por nuestro Plan. Para obtener información sobre más farmacias en la red de nuestro plan que no figuren en este directorio, llame a servicios para miembros al **1-800-656-8991** (los usuarios de TTY deben llamar al **711**).

Si tiene alguna pregunta sobre lo anterior, consulte la portada y la contraportada de este directorio para obtener información sobre cómo comunicarse con nosotros.

Se le pueden enviar medicamentos recetados a su casa a través de nuestro programa de entrega de pedidos por correo de la red.

Si ha utilizado previamente los servicios de pedido por correo con su plan actual o si opta por hacerlo ahora, nuestra farmacia surtirá y enviará automáticamente las nuevas recetas recibidas directamente de sus médicos u otras personas que le den sus recetas. Puede cancelar las entregas automáticas de nuevas recetas en cualquier momento comunicándose con OptumRx al **1-800-356-3477**. Si nunca ha recibido un pedido por correo y/o decide detener el surtido automático de nuevas recetas, nos comunicaremos con usted cada vez que recibamos una nueva receta de parte de un proveedor, para verificar si usted desea que el medicamento se surta y se le envíe en ese momento. Esto le permitirá asegurarse de que recibirá el medicamento correcto (incluidas la concentración, la cantidad y la presentación) y, de ser necesario, cancelar o retrasar el pedido antes de que se le cobre y se le envíe.

Para resurtidos de sus medicamentos recetados de pedido por correo, tiene la opción de inscribirse en un programa de resurtido automático. Mediante este programa, comenzaremos a procesar su próximo resurtido automáticamente cuando nuestros registros muestren que ya se le está terminando su medicamento. Nos pondremos en contacto con usted antes de enviar cada nuevo surtido para asegurarnos de que necesita más medicación. Puede cancelar los resurtidos programados si tiene suficiente medicamento o si su medicamento cambió. Si opta por no usar el programa de resurtido automático, comuníquese con nosotros 15 días antes de que piense que los medicamentos que tiene a mano se agotarán para asegurarse de que su próximo pedido se le envíe a tiempo. Para dejar de participar en el programa de resurtido automático, comuníquese con nosotros llamando al número del Servicio de Atención para Miembros indicado en su tarjeta de identificación o llamando a OptumRx al **1-800-356-3477**.

Por lo general, usted debe esperar recibir sus medicamentos recetados en un plazo de 10 días desde que la farmacia de pedidos por correo recibe el pedido. Si no recibe su(s) medicamento(s) recetado(s) en este plazo, comuníquese con nosotros al **1-800-656-8991 TTY 711**, de 8 a. m. a 8 p. m., los 7 días de la semana..
