

# **NOTICE: Welcome Hospice of the Valley - Supportive Care for Dementia Program to Our Centers of Excellence (COE) Network**

February 7, 2025

Dear Providers,

Centers of Excellence (COEs) deliver exceptional care, adhere to state and national best practice standards, and meet rigorous staffing and performance metrics annually to maintain their designation.

We are excited to welcome a new COE to our network:

Hospice of the Valley - Supportive Care for Dementia Program

[3811 N 44th St, Phoenix, AZ 85018](https://www.hov.org/dementia/supportive-care-for-dementia/)

(602) 767-8300

Centers of Excellence for Dementia specialize in supporting adults with dementia and other memory disorders. Their services include:

- 24/7 phone support
- Home visits
- Caregiver groups and education
- Connections to screening, diagnosis, and treatment

For more information about COEs, please visit our [Centers of Excellence page](#).

If you have any questions, please contact Rose Kent, Social Determinants of Health (SDOH) and COE Coordinator, at [rose.kent@azblue.com](mailto:rose.kent@azblue.com).

Thank you for your dedication to providing outstanding care.
