When Blue Cross® Blue Shield® of Arizona (BCBSAZ) members team up with their providers, they are more likely to achieve better health outcomes. This is especially true for our senior population.

We encourage BCBSAZ Medicare Advantage (MA) members to see their primary care provider regularly and complete recommended health exams and screenings. The annual physical exam is the foundation of patient care. This important exam and other preventive screenings are available at no cost to our members.

We've made putting their health first even more rewarding

MA members can take advantage of our wellness program to earn rewards for getting preventive care. And it couldn't be easier: They just need to schedule appointments with an in-network provider at an in-network facility and complete eligible services on or before December 31, 2022.

Eligible care for 2022

Annual physical exam* (the *annual wellness visit* is not applicable, but may be performed during the same visit)

*Claim must include *one* of the following codes for an annual physical exam (99397, 99396, 99395, 99387, 99386, or 99385) for the member to earn the reward.

Annual flu shot

If members have questions, please direct them to our Member Outreach team at 602-313-7135.
