WE HEARD YOU!

At Health Choice, we are dedicated to making a difference. The opinion of your practice is an important source of information that will help us identify and deliver the solutions that will best meet your needs.

Agenda highlights:

During the provider forum we will review several important updates and resources including but not limited to:

- PA Grid Changes & POLT List
- System Enhancements: Availity EDI Clearinghouse, Provider Portal, etc.
- Contexture/Community Cares
- Workforce Development
- Updates: Telehealth, Mountain ECHO, Provider Resources, etc.

Come join us, let us share our progress with you, and provide your feedback to our team.
