

NOTICE: 2024 Arizona Healthcare Workforce Goals and Metrics Assessment

May 3, 2024

Dear provider,

The Arizona Healthcare Workforce Goals and Metrics Assessment (AHWGMA) is a statewide data collection tool used to help the Arizona Network by gathering information, analyzing data, and assessing the current and future needs of the workforce. The result of this process gives insight for future workforce development resources, highlights where support is needed, and assists with the prioritization of initiatives/projects across the network.

The AHWGMA is a collaborative effort initiated by the Arizona Workforce Development (WFD) Coalition, which includes Workforce Development Administrators from all 9 Arizona Managers Care Organizations (MCO's).

Together the Coalition ensures initiatives across the state of Arizona align with all respective lines of business (ACC, ALTCS, DD, DCS, CHP, DES/DDD, RHBA).

If your organization falls under any of the required [Provider Types](#), then your organization is required to complete the AHWGMA between April 16, 2024 - May 31, 2024.
