

Save the Date: Social Determinants of Health and Health Equities Virtual Speaker Program – Featuring Leah Miller

August 19, 2022

Dear provider,

Blue Cross Blue Shield AZ Health Choice is pleased to announce the next program in our bi-monthly virtual speaker series addressing social determinants of health and health equities.

Ninety percent of an individual's health is tied to social determinants including safe, quality housing, education, livable wage jobs, food/nutrition, transportation, physical environment, structural systemic inequality, and equitable justice systems – where you live, work and play

Leah Miller, a highly experienced trauma therapist, skilled, multi-disciplinary psychotherapist and functional mental health coach will present on the social determinants of health and how they relate to chronic illness and trauma.
