

NOTICE: 6th Annual Statewide Tribal Veteran Symposium

November 4, 2024

Dear provider,

Come join us for the 6th Annual Statewide Tribal Veterans Symposium, which will take place on November 15th and 16th, 2024 at the Gila River Wild Horse Pass Casino Resort. This **FREE** event is a wonderful opportunity for veterans and their families to learn about the various Veteran Administration (VA) and non-VA benefits and programs available to support their health and wellness journeys. It also offers an invaluable opportunity for providers to engage with and learn about the services available for tribal veterans and their families.

There will be a VA claims clinic, VA enrollment and eligibility onsite for veterans to be able to ask questions and or file a claim. We will also have over thirty (30) information booths and exhibitors, that will have valuable resources, information, and insights.

The symposium will focus on education and awareness delivered in a culturally responsive way, supporting healing and empowerment for veterans and their families. With the great sacrifices our veterans have made for this country, it is essential that we come together to ensure they are supported in living health and fulfilled lives.

We will have a day and half of engaging sessions and cultural dances, and on Saturday afternoon, we will honor our traditional and Western warriors with Gourd Dance. This event designed not only to educate but to celebrate the resilience and service of our veterans.

I encourage you to attend and be part of this important event. I have provided you with the flyer and please feel free to share with your distributions lists or anyone you feel will be interested in tabling and or attending. Please reserve your seat soon, and if you have any questions, feel free to reach out to me.

I look forward to seeing you there.
