

# REMINDER: AHCCCS Dental Requirement Periodicity Schedule and Uniform Warranty

July 16<sup>TH</sup> 2025

Dear Provider,

As a reminder, all Blue Cross Blue Shield of Arizona Health Choice members under 21 years of age are assigned to a dental home by six months of age or upon enrollment. Members under 21 years of age must be seen by a dentist for routine preventive care according to the dental periodicity schedule contained in the AHCCCS Medical Policy Manual located at <https://azahcccs.gov/shared/MedicalPolicyManual/> (AMPM431- Attachment A).

The AHCCCS Dental Periodicity Schedule gives dental providers the necessary information regarding the timeframe in which age-related required screening and services are to be rendered by the providers.

Please post a copy of the schedule in your office for easy reference and to utilize at every dental visit to ensure all age-appropriate screening and services are conducted during each visit.

Providers are also encouraged to refer to the AHCCCS Dental Uniform Warranty List to determine the frequency a restoration or other services can be replaced.

AHCCCS Dental Uniform Warranty List is located at:

If you have any questions, please contact the BCBSAZ Health Choice Dental Department at 480-968-6866.

Dentists may access their member roster online via the BCBSAZ Health Choice Provider Portal. The roster reflects membership as of the first day of each month.

Thank you for your continued commitment to serving our members and providing quality care and services.
