

NOTICE: AHCCCS DAP Qualifying Providers and DAP VFC Clarification

October 15, 2024

Dear provider,

As a reminder, the AHCCCS administration has posted the CYE 2025 Differential Adjusted Payment (DAP) Qualifying Providers.

The qualifying providers along with information regarding DAP can be found on the AHCCCS website under [Plans/Providers - Other Provider Programs and Initiatives - Differential Adjusted Payment \(DAP\) - Qualifying Providers](#).

The qualifying providers are listed by provider type and DAP and are identified by name and NPI. The DAP rates posted will be for CYE 2025 and will be effective for dates of service beginning October 1, 2024, through September 30, 2025. Providers are encouraged to review the lists for accuracy.

AHCCCS has received policy clarification regarding the payment of DAP on VFC administration claims. The VFC payment rate is a set national limit which restricts over payment for DAP. DAP can be applied to VFC administration claims, but if the DAP would cause the claim to exceed the VFC national rate, then only the portion of the DAP that keeps the amount less than or equal to the VFC national rate can be applied.

If you have any questions, please contact your Network Provider Performance Representative.
