

# **NOTICE:** Important Update – Transition of Enteral/Oral Nutrition Services

October 29, 2024

Dear provider,

Effective immediately, Coram will no longer be accepting new referrals for enteral/oral nutrition.

**Any new referrals and all existing members will be transitioned to Aveanna.**

Coram has announced they are exiting the enteral/oral nutrition and non-specialty infusion markets. As of December 31, 2024, they will not have any AHCCCS registered pharmacies.

BCBSAZ Health Choice and Aveanna, our enteral and oral nutritional provider, are working diligently to transition existing Coram members to Aveanna by December 2024.

For any new referrals, please send the certificate of medical necessity, prescription, and clinical/office notes directly to Aveanna via fax at 1-844-754-1345.

Thank you for your attention to this important update.

If you have any questions please contact your Network Provider Performance Representative.
