

**BCBSAZ Health Choice Approved Provider Office Lab Test List 1 January 2023**

**\*Indicates New Additions January 2023**

|       |                                                                                                                                                                                                                                                                                                                         |
|-------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 80048 | Blood Test, Basic Group of Blood Chemicals                                                                                                                                                                                                                                                                              |
| 80305 | Drug test(s), presumptive, any number of drug classes, qualitative; any number of devices or procedures, (e.g., immunoassay) capable of being read by direct optical observation only (e.g., dipstick, cups, cards, cartridges) includes sample validation when performed, per date of service (maps to 80300 or G0477) |
| 81000 | Urinalysis, By Dip Stick or Tablet Reagent Bilirubin, Glucose, Hemoglobin, Ketones                                                                                                                                                                                                                                      |
| 81001 | Urinalysis, By Dip Stick or Tablet Reagent Bilirubin, Glucose, Hemoglobin                                                                                                                                                                                                                                               |
| 81002 | Urinalysis, By Dip Stick or Tablet Reagent for Bilirubin, Glucose, Hemoglobin                                                                                                                                                                                                                                           |
| 81003 | Urinalysis, By Dip Stick or Tablet Reagent for Bilirubin, Glucose, Hemoglobin                                                                                                                                                                                                                                           |
| 81005 | Urinalysis; Qualitative or Semi quantitative, except immunoassays                                                                                                                                                                                                                                                       |
| 81025 | Urine Pregnancy Test, By Visual Color Comparison Methods                                                                                                                                                                                                                                                                |
| 82270 | Blood, Occult, By Peroxidase Activity (e.g., Guaiac), Qualitative; Feces, Consecutive collected specimens                                                                                                                                                                                                               |
| 82947 | Glucose; Quantitative, Blood (Except Reagent Strip)                                                                                                                                                                                                                                                                     |
| 82948 | Glucose blood, Reagent Strip                                                                                                                                                                                                                                                                                            |
| 82962 | Monitoring of blood glucose levels and measures fructosamine, which is used to evaluate diabetic control, reflecting diabetic control over a 2–3-week period                                                                                                                                                            |
| 82272 | Blood, Occult, By Peroxidase Activity (e.g., Guaiac), Qualitative, Feces, 1-3 Simultaneous determinations should be used                                                                                                                                                                                                |
| 83036 | Hemoglobin; Glycosylated (A1C)                                                                                                                                                                                                                                                                                          |
| 83655 | Blood Lead                                                                                                                                                                                                                                                                                                              |
| 85004 | Blood Count; Automated Differential WBC                                                                                                                                                                                                                                                                                 |
| 85013 | Blood Count; Spun Micro hematocrit                                                                                                                                                                                                                                                                                      |
| 85014 | Blood Count; Hematocrit                                                                                                                                                                                                                                                                                                 |
| 85018 | Blood Count; Hemoglobin (HGB                                                                                                                                                                                                                                                                                            |
| 85025 | Blood Count: Complete (CBC), Automated (HGB, HCT, RBC, WBC, and Platelet Count, Differential) 85027 Blood Count; Complete (CBC), Automated (HGB, HCT, RBC, WBC and Platelet Count)                                                                                                                                      |
| 85610 | Prothrombin Time                                                                                                                                                                                                                                                                                                        |

|        |                                                                                                                                                                                                                  |
|--------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 85651  | Sedimentation Rate, Erythrocyte; Non-Automated                                                                                                                                                                   |
| 86308  | Heterophile Antibodies; Screening                                                                                                                                                                                |
| 86580  | Skin Test; Tuberculosis, intradermal                                                                                                                                                                             |
| 87205  | Smear, Primary Source with Interpretation; Gram or Giemsa Stain for bacteria                                                                                                                                     |
| 87210  | Smear, Primary Source with Interpretation; Wet Mount for Infectious Agents                                                                                                                                       |
| 87220  | Tissue Examination by KOH Slide of Samples from Skin, Hair, or Nails for Fungi                                                                                                                                   |
| *87651 | Infectious agent detection by nucleic acid (DNA or RNA); streptococcus, group a, amplified probe technique                                                                                                       |
| 87804  | Infectious Agent Antigen Detection by Immunoassay with Direct Optical                                                                                                                                            |
| 87807  | Infectious Agent Antigen Detection by Immunoassay with Direct Optical                                                                                                                                            |
| 87880  | Infectious Agent Detection by Immunoassay with Direct Optical Observation                                                                                                                                        |
| 88304  | Surgical pathology, gross and microscopic examination                                                                                                                                                            |
| 88305  | Surgical pathology, gross and microscopic examination                                                                                                                                                            |
| 88312  | Special stains group I for microorganisms [e.g., Gridley, acid fast, methenamine silver]                                                                                                                         |
| 88313  | Special stain including interpretation and report; Group II, all other (e.g., iron, trichrome), except stain for microorganisms, stains for enzyme constituents, or immunocytochemistry and immunohistochemistry |
| 88341  | Immunohistochemistry or immunocytochemistry, per specimen; each additional single antibody stain procedure (list separately in addition to code for primary procedure)                                           |
| 88342  | Immunohistochemistry or immunocytochemistry, per specimen; initial single antibody stain procedure                                                                                                               |
| 88720  | Bilirubin Total Transcutaneous                                                                                                                                                                                   |
| 89300  | Semen Analysis; Presence And/or Motility of Sperm Including Huhner Test (Post Coital)                                                                                                                            |
| 89310  | Semen Analysis: Motility and Count (Not Including Huhner Test)                                                                                                                                                   |
| 89320  | Semen Analysis: Complete (Volume, Count, Motility and Differential)                                                                                                                                              |
