

NOTICE: Online Training Resources Available for Providers and Staff

January 12, 2024

Dear Provider,

BCBSAZ Health Choice has developed an interactive training course for providers and their staff, called “End of Life Care” with content on Advance Directives, Advance Care Planning, Hospice, and Palliative Care.

- Purpose: Understand the purpose and types of end-of-life care, state laws, advance directives, and provider requirements around end-of-life care.
- The training can be used to meet AHCCCS and BCBSAZ Health Choice provider requirements to train staff, patients, and the community on Advance Directives and End of Life Care.
