

NOTICE: Updated POLT List Effective August 1st, 2025

June 30th 2025

Dear Providers,

Blue Cross Blue Shield of Arizona Health Choice would like to remind you that the most current Provider Office Laboratory Testing (POLT) List will go into effect **on August 1, 2025**. The latest addition to this list is **CPT code 81420 and 80307**.

The Blue Cross Blue Shield of Arizona Health Choice Provider Network includes both **LabCorp** and **Sonora Quest Laboratories**, offering a full array of in-office laboratory services, including reference and specialty testing.

Please ensure that you are utilizing contracted laboratories when providing services to **Blue Cross Blue Shield of Arizona Health Choice members**. Note that we have designated specific lab services on the POLT List for in-office performance by providers.

Important Reminder:

ACA StandardHealth with Blue Cross Blue Shield of Arizona Health Choice is contracted only with Sonora Quest Laboratories.

Where to View the POLT List and Provider Resources:

The most up-to-date list of allowable in-office lab services and CPT codes will be found under the section labeled **"Additional Resources and Guidelines"** when visiting the following sites and navigating to **"For Providers" > "Provider Education"> "Education Resources"**:

- Blue Cross Blue Shield of Arizona Health Choice (Medicaid): <https://www.azblue.com/health-choice-az>
- Blue Cross Blue Shield of Arizona Health Choice Pathway (D-SNP): <https://www.azblue.com/health-choice-pathway>
- ACA StandardHealth with Health Choice (HCS): <https://www.azblue.com/aca-standardhealth-health-choice>

Be sure to refer to the Prior Authorization Grid for any lab services that may require approval.
