NOTICE: ACA StandardHealth with Health Choice 2025 Open Enrollment: November 1, 2024-January 15, 2025

October 21, 2024

Dear providers,

Our ACA StandardHealth with Health Choice Health Benefit Plan is designed to make health insurance more affordable! We've paired our BCBSAZ Health Choice network with the trusted ACA StandardHealth plan to provide our members access to care including an extensive care management team that can help coordinate care when they need it most.

Effective January 1st, 2025, ACA StandardHealth with Health Choice plan has been expanded to cover residents in Mohave County. This plan will continue to be available in the following counties: Maricopa, Coconino, Gila, Pinal, Pima, and Santa Cruz. Members can access any in-network provider in all these counties offered through the BCBSAZ Health Choice network. Members who live in Mohave and Coconino Counties may access providers in the following bordering communities: Sunrise Hospital and Medical Center in Las Vegas, NV; Kane County Hospital in Kanab, UT; and Colorado River Medical Center in Needles, CA.

ACA StandardHealth with Health Choice is an ideal plan for someone looking for a low-cost premium, fixed copays for medical services, prescription drugs, and appreciates the supported experience of PCP coordinated care. It also offers continuity of care for those who have been disenrolled from BCBSAZ Health Choice Medicaid plan they can keep their same in-network doctors.

You are a participating provider with ACA StandardHealth with Health Choice. If you are unsure about contract participation in this plan, contact us at HCH Contracting HCHContracting@azblue.com or contact your BCBSAZ Health Choice provider representative.
