More about The NARBHA Institute and the AZ Community Grand Rounds

The NARBHA Institute has a long history of community service and advancing integrated wellness. Its current focus is to look at “emerging trends and innovative solutions, remaining in continuous discovery and sparking catalytic engagement to inform, transform, and collaborate for meaningful wellness in the communities we serve.”

The Arizona Community Grand Rounds presentations are hosted as a collaboration between The NARBHA Institute and BCBSAZ. Guided by leadership from Drs. Cara Christ, Mark Carroll, and Teresa Bertsch, the goal is to advance well-being in the greater community through presentations by local, regional, and national experts on critical health issues. Previous presentations are available on demand via the [Arizona Community Grand Rounds webpage](#).
