

NOTICE: Health Choice Pathway – 2026 Annual Model of Care Training Available Now!

January 14, 2026

Dear Provider,

Blue Cross Blue Shield Arizona Health Choice Pathway is a Dual Special Needs Plan (D-SNP). A D-SNP is a type of Medicare Advantage plan that provides targeted care, improved coordination, and continuity of care for members with special needs. D-SNPs operate under the **Model of Care (MOC)** framework to meet the unique health care needs of each D-SNP member.

2026 Annual MOC training is now available online!

Important Information

- **MOC training is required** initially and annually by CMS for all providers who treat D-SNP members.
- D-SNPs deliver specialized care and coordination for members with chronic conditions or other special needs.
- If you are contracted for the Health Choice Pathway Program, you are considered a D-SNP care provider and must complete the training.
- One clinical or non-clinical staff member from each practice, clinic, or medical group may complete the training and share the information internally.

Thank you for your commitment to providing quality care to our members.
